### Summary

Point 2	No objections were raised, so Tom Lewis is accepted as member of the SRG representing CAN Europe.
Point 3	<p>Amazon resigned from the SRG due to a lack of capacities.</p> <p>Bram is stepping down from the SRG as representative of RAP, as he is moving to another position. Zsuzsanna Pato, currently the alternate member of the SRG for RAP, will submit her application documents to become effective member of the SRG.</p> <p>These changes have been updated in the official list of the membership.</p>
Point 4	<p>NT+ result data have been uploaded to the Sharepoint on Monday 23/2. Deadline for feedback is Monday 16/3 at 9:00.</p> <p>SRG Members will compile consolidated input feedback in the file with the questions provided by the ENTSOs.</p> <p>The review period for the economic variants will be 2 weeks second half of April. This is shorter than ideal, but time is running out.</p>
Point 5	<p>Megan is taking over coordination from Joni. Any last remarks or edits should be added by 26/2. Draft will be shared with the ENTSOs on the following day.</p> <p>Parts about review of NT+ results and economic variants will follow when that is done.</p>
Point 6	The calendar invitation for next week's weekly meeting was sent by Megan.
